

COMPANY PROFILE

KMGS GROUP

Formed in 1968, Krishan Murari Gupta & Sons (KMGS) started with the business of civil maintenance and construction in Delhi PWD, U.P Noida Authority. & CPWD. KMGS entered into the field of road marking in the year 1999.

In the quest of expansion KMGS entered into the business of traffic signboards and road safety products in the year 2002 under the Group Company "KMGS Road Signs Pvt. Ltd." Since then KMGS has grown up to become the market leader for providing complete road safety solutions.

KMGS, specialist in Thermoplastic road marking is a trusted name for Quality and Performance. We represent various world-class suppliers from India and Abroad. We are **Marketing** Thermoplastic Road marking materials from **Ennis Paints (USA)** the biggest Thermoplastic Material Manufacturer in the World. We are also the **Authorized Applicators** for various **Renowned Manufacturers** in India for Thermoplastic Road Marking materials and **Potters Ltd. (USA / Thailand / Australia)** for their special moisture proof coated Glass Beads. We are also the **Authorized Converters** for **3M India Ltd. (USA)** for their Traffic Safety Systems Division (for Retro Reflective Sheeting) and **Authorized Distributors** for **Swareflex (Austria)** for their Glass Element Reflector based road safety items such as Raised Pavement Markers, Crash Barrier Reflectors, Lane Dividers etc.

In a rapidly changing market we keep pace with new Developments and Innovations in our products portfolio to offer materials suitable for conventional and specialized application methods of International standards.

To enter into the Newest Technologies and Diversifying into other streams, KMGS has recently tied up with **STERELA S.A. (France)** for High Speed Weigh in Motion Systems, **Scheidt & Bachmann GmbH (Germany)** for Parking Automation & Management Systems and **Prismo (UK) & China Specialist Surfacing Ltd. (China)** for special Coloured & Anti Skid High Friction Surfacing.

Our Team of Technical Experts and Specialized Equipments ensure Total Quality Assurance and Performance to the complete satisfaction of our valued customers all over India.

KMGS is committed to working closely with their valued clients towards achieving the standards of high performance that are increasingly being specified by MORTH, IRC, BS, EN, AASHTO, ASTM, NHAI and other respective authorities.

We are in the business of **Thermoplastic Road Marking Application** from last Nine Years and have already successfully executed more than **700,000 Sqm** of jobs all over India on various NHA road projects, State Highways and City road markings. We also have the complete infrastructure and experience to execute Thermoplastic Road Marking on **Concrete Pavement** by using special Concrete Primer for bonding with our special Imported Airless Spray Machine from USA.

We are also one of the only few road marking companies in India, to have a variety of Road Marking machines to fulfill all types of road marking solutions. The best of them is our **Fully Automatic and Computerized (Self Propelled) Extrude/Screed type Combination Sit – on Machine from Germany**, along with its special thermostatic controlled **1000 lt. Boilers** and a **Dedicated Team** of professionals, which is capable of marking up to **6 km per hour**. The details of few of the major works executed by us are as under: -

<u>Name of Contractor</u>	<u>Highway / City</u>	<u>Area (Sqm)</u>	<u>Status</u>
